EXPERIENCE

Amazon

Area Manager Intern (Incoming)

Tucson, AZ

Summer 2026

BYU Ballard Center (Marriott School Social Impact Arm)

Special Projects Consultant

Provo, UT

Jan 2026 – Present

- Centralizing relationship data across 450+ organizations and 1,500+ contacts into a unified Airtable CRM, consolidating 5+ siloed data sources to give Strategic Relations and Campus Relations teams full visibility into contact strength and outreach gaps
- Designing and deploying custom dashboards and data interfaces for 4+ departments, projected to eliminate 10+ hours of manual work per week and redirect team capacity toward higher-value stakeholder engagement and outreach
- Building a recruiting analytics framework to surface key drivers of student enrollment and engagement, translating behavioral data into strategic recommendations for programming, outreach, and resource allocation decisions

ShadowRock (RevOps Consultancy)

Data Analytics Consultant

Remote

Jan 2025 – Feb 2026

- Improved cash flow by reducing overdue receivables 25% through collections dashboard that surfaced aging accounts
- Integrated dashboards into Salesforce, equipped sales team with marketing insights for 25% more successful pitches
- Contributed to SQL based integration of six platforms, improving data visibility by 50% and decision speed by 30%

Rags To Robes (Utah Poverty Initiative)

Partner Liaison & Product Intern

Provo, UT

Apr 2025 – Jul 2025

- Developed website and chatbot enabling leaders to connect hundreds of individuals with actionable support pathways
- Led 4-person team during platform design, connecting at-risk Utah County populations with faith-based resources
- Mapped 30+ local organizations to expose service gaps and shape a strategy for long-term scalability

ASARCO (US Subsidiary of \$15BN Mexico Mining Conglomerate)

HR Data Analytics and Strategy Intern

Tucson, AZ

Jun 2024 – Feb 2025

- Automated recurring reports, saving 20+ hours per month and reducing manual errors by 80% through Power Platform workflows
- Reduced performance gaps and turnover by 25% through building retention, recognition and workforce dashboards
- Upskilled 30+ managers and associates on Microsoft Power Platform and Excel, improving HR's data self-sufficiency

Storage Scholars (Shark Tank company backed by Mark Cuban)

Operations Manager

Tucson, AZ

Mar 2024 – Aug 2024

- Drove \$20K+ in revenue by managing logistics, scheduling, transportation, and customer service for operations
- Hired and led a team of 6 workers to ensure full coverage and on-time completion of 50+ storage operations
- Improved operations efficiency by 30% through optimized timing of 30+ customers during peak semester transitions

VOLUNTEER & LEADERSHIP EXPERIENCE

Mica Mountain High School

Volunteer Volleyball Coach

Tucson, AZ

Jan 2025 – May 2025

- Coach for varsity high school program, focused on skill development, game strategy, and consistent communication
- Supported head coach with practice-planning and in-game adjustments, improved player consistency and confidence
- Modeled accountability and sportsmanship, reinforcing a team-first culture and strong work ethic among youth
